There will be church at Springdale the fourth Saturday night and Sunday in next month. Everybody come.
A LONESOME KID.

CAN'T DO THE WORK

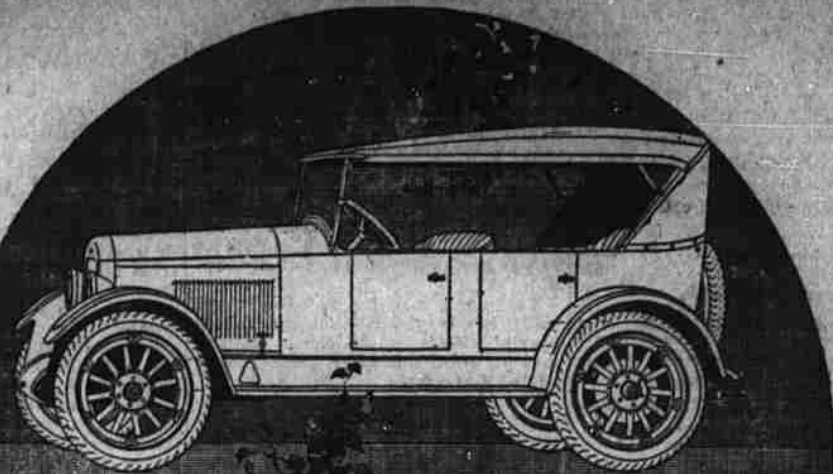

It's too much to try to work every day against a constant, dull headache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them. Ask your neighbor.
Jack Blankenship, foreman Construction Co., Plumb St., Louisa, says: "I have had the best of results through the use of Doan's Kidney Pills and can't recommend them too highly. I have a lot of exposure while on duty as foreman of a construction company and hoisting engines, together with the jarring, is what had a tendency to bring on my kidney trouble. There were times I had to give up work and go home and stay there, as I was just down with my back. Sharp, shooting pains darted all through my back and kidneys and the kidney secretions passed irregularly, containing a sandy sediment. I was in bad shape generally until I went to the Louisa Drug Store Co., and got three boxes of Doan's Kidney Pills. I began using this medicine and soon got over the trouble. Doan's fixed me up in good shape and I have never been bothered since."
60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Let us hear from "Sunshine" again.
BUSY BEE.

The Jewett Is Coming

ONE WEEK FROM NOW the new Jewett light six will be on exhibition in our showrooms and we shall be prepared to accept orders for immediate or very early delivery.

We make this preliminary announcement so that every local motorist may plan to see this remarkable car and arrange for a demonstration early in the week.

Up to now the Jewett has been displayed only at private exhibitions. But good news—important news—cannot be suppressed. That is why thousands of people are waiting for this car with an eagerness that is quite without precedent.

The word has gone forth that the Jewett is an astounding achievement in motor car value—a fine, high-powered six at a price that is little less than sensational. Though incomplete, that description fits the car with absolute accuracy.

What the public does not know is this: The Jewett is a very comfortable five-passenger car with superbly beautiful body lines and every appointment that a critical man

could desire. It is equipped with a fifty-horsepower six-cylinder motor that will develop a speed of sixty miles per hour or throttle down to a snail's pace in traffic.

It is built on a specially designed frame that cannot sag or weave. Its springs are unusually long and flexible. The body is hung close to the ground and perfect distribution of weight insures the calm, steady riding qualities of an ocean liner.

Though very high powered and brilliant in performance, it is a miser on fuel consumption and will turn up amazing mileage on its oversize cord tires. Such, in brief, is the Jewett. And the price is \$1065 f. o. b. Detroit.

Just now we will say no more. There are but seven days before the Jewett will be here to tell its own story as no words could ever tell it.

Come in at that time. See the car—ride in it—drive it—judge it from any angle that your experience suggests. Then, decide whether it is or is not the first real quality six at a quantity price.

The Touring Car \$1065
